The Bendigo On Road Radio Control Car Club ran their July Club Day today. BADRC was again represented by members and regulars who also enjoy racing on the black-top:

Bradley & Alysha Matheson, competed in the 540 Pro Class, with Brad taking the honours in the family showdown finishing 2nd, with wife Alysha finishing 6th. Janine Logan also ran in the Class, finishing one spot ahead of Alysha in 5th.

Garry Logan competed in the 21.5 Class, finishing on the podium in 3rd.

Scott Rawlings competed in both the Mini & Stock Class, finishing 5th in the Mini, and on the podium in 3rd in the Stock Electric.

Jamie O'Brien top qualified in the Super Stock Class, finishing with the Silver in 2nd place on the podium.

Disappointingly due to a lack of numbers the On Road CORR Truck racing was not run.

BADRC congratulates BORRCCC on a well run race day with trying weather conditions, and a new track layout that seemed to be enjoyed by everyone.

BADRC would also like to congratulate BORRCCC on being named Host of the 2010 AARCMCC EP National Titles in November.
